The Westchester Town Center does NOT support and has NOT been informed of any plans for this event.

Hi Don and Miki,

This is the annual Carnival event that has caused issues in the years past. It looks like the problem from last year is solved but it appears they plan on staying in the bid area for the duration of the festivities.

They file this event under an LAPD first amendment permit, so I can't threaten to cancel it or anything of that nature like standard events. It will be coming but we can work to mitigate the problems, particularly if it is safety related. This is preliminary. If you have concerns please let me know so I can work to mitigate it. Feel free to call me as I am familiar with this from last year.

Kind regards,
